

What's Included?

A state of the Art alarm panel with easy to read English text display will form the heart of the system and will have a minimum of three (infra red) movement detectors and a front door contact. We will also fit an internal high decibel siren and a distinctive bell housing outside. The system will then be connected to our Alarm Receiving Centre to ensure your system is monitored around the clock 24 hrs a day 365 days a year.

All For just **£350.00 Inc VAT** and subject to a 1 year *Key Holder Advisory Contract* at £10.00 including VAT per month.

(includes a [free annual maintenance](#) visit).

Can I Have More Devices?

If you require additional detection devices up to 4 more can be added at the time of installation as detailed overleaf.

Will The Police Respond?

The offer described in this leaflet does not include a police response. However if you do require a police response we can arrange it. Your system can be configured to have a police response; and you will have to enter into an annual preventative maintenance and monitoring contract. There are some other requirements which you will need to be aware of and we will be happy to discuss them with you.

An annual preventative maintenance and monitoring contract starts from **£17.00** per month.

What Next

No salesman will call on you simply telephone us we will talk you through the process and make arrangements for the installation. Remember all the prices include VAT at 17.5% and are based on an installation between Monday and Friday excluding Bank Holidays.

What if I Need more than 8 Devices?

In a larger more complicated premises a survey is needed in order to properly establish the level of security coverage required and how long the installation will take. In the majority of homes it will be a routine visit and need not take very long but in some homes it may take a little longer.

Call us and we will make a suitable appointment to discuss your particular situation. Our advice is totally free and without any obligation.

Where Will The Devices Be Fitted?

On the day of Installation our highly trained and experienced Engineer will discuss with you the best position for each device, where your system has been pre wired these positions are already determined.

What is A Key Holder Advisory Service?

You provide us with the name and contact details of up to four friends or family. When your alarm activates a signal will be sent to our 24 hr manned receiving centre. We contact each key holder in the order set by you until contact is made and we are advised that one is taking the appropriate action.

We can also set up a security procedure to prevent any accidental mis-operations being passed to your key holders.

How much Do Extra Devices Cost?

The prices of additional devices are listed below and include VAT

1 Extra Infra Red Movement Sensor	£39.00
1 Extra Door Contact	£29.00
1 Personal Attack Button	£29.00
1 Smoke Detector	£45.00
1 Extra Sounder	£49.00

The above prices apply at the time of installation of the main alarm system higher charges will apply if fitted retrospectively.

If your home has been recently built you may be eligible for a further cost saving. Builders often pre wire their houses to allow a burglar alarm to be installed after you have moved in and with minimal disruption. If yours has been pre wired it could reduce the cost by up to **£40**.
